WE SUPPLY AND INSTALL DOUBLE GLAZING WITH KAPPAFLOAT ENERGY GLASS

ONE OF THE MOST IMPORTANT DEVELOPMENTS IN GLASS TECHNOLOGY THIS CENTURY

## THE SERVICES

### PATIO DOORS

These are all individually made to customer's requirements, in hardwood and aluminium or 'maintenance free' uPVC. Where condensation is a problem, special insulated aluminium could be the answer. Safety Glass as standard.

### ENTRANCE DOORS

Available in aluminium, uPVC or hardwood. All doors and side panels are purpose made to individual requirements.

### WINDOWS

A wide range of styles and designs to suit any property. Available in 'maintenance free' uPVC or insulated aluminium or hardwood – all are designed to combat condensation. Georgian and leaded windows a speciality.

### SECONDARY DOUBLE GLAZING

Ideal for double glazing draughty windows and to provide good sound insulation. Supplied in white finish to blend with your existing decor, styles include sliding, hinged and lift-out.

### PORCHES

We offer the complete service from survey and design to Local Authority Approval and installation. Maintenance-free storm porches or conservatories purpose made to your specific requirements.

### PATENT GLAZING ROOFS

A tough combination of aluminium bars and safety glass to enhance and protect your porch or conservatory. No painting or maintenance required. Bars now available in various colours.

### 2-PANE SEALED INSULATING GLASS

These are manufactured to B.S. 5713 offering unquestionable quality and reliability. We are one of the few companies in the U.K. to have been awarded 2 British Standard Kitemark Certificates. Units are available in safety glass and with leaded or Georgian effect. Triple glazing is also supplied if required. All our double glazing is fully guaranteed. (B.S. Kitemark 5713.)

### GLASS REPLACEMENT

We provide a fast, efficient service for the replacement of broken windows, doors or roof glazing. Just pick up the phone! We are also glazing contractors and can carry out any glazing job that is required.

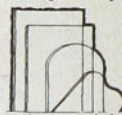

### MIRRORS

A wide range of mirrors is available from stock, including bevelled, brilliant-cut, gilt framed pine and many more. Our superb showroom display makes choosing a little easier!

### D.I.Y. DOUBLE GLAZING

Call in to our showroom and see for yourself the range of Professional Secondary double glazing kits. Glass is sold at a special price when you buy this system.

### GLASS CUT TO SIZE

All glass is cut by skilled cutters and they will cut any size to your requirements while you wait.

### TRADITIONAL GLASS CRAFTS

How would you like leaded lights manufactured to suit your specific needs by our skilled and experienced craftsmen? They can transform your original ideas into actual windows. Other specialist services offered include bevelling, polishing and drilling.

Manufacturing sealed units to the highest possible standard

Windows and doors are made incorporating the latest technology
